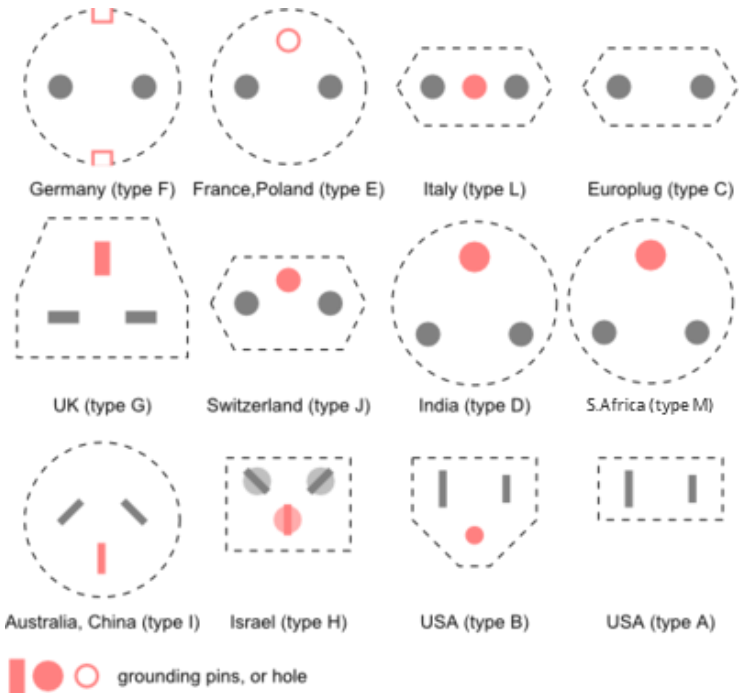
5. Nearest Shops.

As we do not prefer recommending any shops or restaurants, we would like just to inform you for the nearest convenience shops and supermarket, according to walking distance and only, just keep in mind that some convenience shops have double prices comparing with big supermarkets.

Green: Bakeries
Red: Convenience Shops and Supermarkets

6. Electricity Sockets/Voltage

In Cyprus we only have the **UK type of sockets**, with Voltage: **220-240 Volts** (U.S./Canada are 110-120 Volts) For Multi-voltage appliances (laptops, etc.) you will need: Plug adapter. For 110-120V electronics you will need: Plug adapter + step-down transformer. For Hair dryers, curling irons, etc. you will need: Plug adapter + voltage converter. Such converters or adapters are not provided from us.



7. Warm water for shower

During summer period or sunny days you will have plenty of warm water to have a shower or two during the day, as the water is continually being warmed from the sun. In case there is not enough warm water, just click the button outside the bathroom and follow the relative instructions.

8. Watching TV

As the TV signal in Cyprus is cable and you have the option of 50+ channels (local and satellite) Do not change any settings and/or language on the TV to avoid and issues or signal losses.
